Do you support or oppose the provision?

Support Oppose

Submission

Decision Sought

State in summary the nature of your submission and the reasons for it.

State clearly the decision and/or suggested changes you want Council to make on the provision.

The stated time frame of 80 years to meet water quality targets is too long to provide urgency and focus for implementing improved land management practices.

Change 2096 to "2056, or earlier if effective mitigation methods are available".

Decision Sought

State in summary the nature of your submission and the reasons for it.

State clearly the decision and/or suggested changes you want Council to make on the provision.

The short term objective of a 10% improvement in water quality attributes is too low to provide urgency and focus to implementing improved land management practices.

Replace 10 per cent with "20 per cent".
Alternatively, replace 10 per cent with "at least 10 per cent".

State clearly the decision and/or suggested changes you want Council to make on the provision.

All point source discharges should be treated in the same way as farming activities as they are substantial, cumulative pollution sources. This includes urban areas, new subdivisions and road drains which discharge into waterways.

Delete the words "at the time a resource consent is decided".

Best Practicable Option is not defined in the Plan Change documents.

Replace "Best Practicable Option" with "best management practice/s".
